**Paulette J. Johnson**

**Job Objective:** To work in a position where God's handiwork is evident through His gifting in me in human relations, curriculum, technology, and that the desire to positively impact organizations will lead to spiritual fruit for all stakeholders.

**Personal Statement:** I have been involved in church life as long as I can remember! I gave my life to God as a teenager and was involved in church activities, but it was not until I was a married mother of three that I really began to understand what being a Christian really meant! Individually I personally sought to know Jesus more and as a family we grew in our knowledge and experience of God. I want to know God, His Son Jesus, and the Holy Spirit more and more. This in turn has made me want to reach out and help others and so spread God's love. The scripture " 'Therefore, as we have opportunity, let us do good to all people, especially to those who belong to the family of believers.' Galatians 6:10 (NIV)" is one of the many verses in the Bible that I pray I am fulfilling in my everyday life.
